

ALMA MATER STUDIORUM
UNIVERSITÀ DI BOLOGNA

DIGITARCH

Digital Collection Curator for Archaeology

SUMMER SCHOOL
A.Y. 2022-2023

Higher education project in the technological, economic and cultural field for a European and attractive region of knowledge approved and co-financed by the Emilia-Romagna Region with Regional Council Resolution n. 1625/2021

The Summer School is aimed at those who already work, or intend to work, in the cultural sector and wishes to acquire, or perfect, the skills of the Digital Collection Curator, with a focus on archaeological heritage - tangible and intangible - from excavation to museum. The 2023 edition is enriched by the collaboration of Wikimedia Italia, a community for the dissemination of free knowledge.
